Hi **Section 22**,

Thanks for seeking the DTA's input on the draft **Section 34** content. I have attached suggested changes and comments.

I understand you are comfortable with working level feedback. As such, these updates have been cleared at an EL2 level. We would like the opportunity to have this content SES cleared on our end if the document is to be published publicly.

Please let me know if you have any questions.

Regards,

Morning Section 22

As discussed, please see our current draft Section 34. I've flagged some areas for your review. Grateful for your review by 3pm today, so we can finalise for our B2 SES by COB.

Many thanks
