Hi Section 22

I would appreciate if you could confirm that:

- Section 47C
and
- the DTA's Centrals, Trade and Energy Team intends to send the DTA's "editorial comments" to the responsible DISR Policy Team once they have been cleared by the responsible DTA SES Band 1.

Your response by return email by 3pm – AEDT would be appreciated.

Kind regards

Hi Section 22

Could you please release this sub to our DTA colleagues, Section 22, and Section 22? I have copied them in this email.

FYI team, Section 22 is preparing the ED Comments and we will share the link to draft tomorrow. From a Contestability perspective this is likely to be nil digital - my quick reading the sub is seeking Cabinet agreement to release the National AI plan and to progress initiatives to accelerate Australia's AI capabilities. However, we may have DTA general comments to add at ED given our strong interest in AI policy.

With regards,

Section 22

Please note that I work from Perth, which is currently 3 hours behind Canberra time.
